NESPRESSO MOMENTO

DESIGNED FOR MEANINGFUL
COFFEE EXPERIENCES

what else?

NESPRESSO MOMENTO SIMPLICITY AND INTUITIVENESS AT THE HEART OF EACH COFFEE MOMENT

- **EASY TO USE** with its intuitive interface and capsule recognition. **Nespresso** Momento recommends the optimal cup length for your coffee or milk recipes, and provides information on aromatic profile at the touch of a button.
- **ALLOWS A WIDE CHOICE** of high-quality coffee & milk recipes.
- **VERSATILE** with 3 different machines for your different venues.
- **SIMPLE & FAST TO CLEAN AND REPAIR** with its intuitive daily maintenance guide and its modular design.
- **DESIGNED TO RESIST** with its reliable components, that are made to last in high or low consumption.

PEOPLE AND NEW WORKPLACES HAVE INSPIRED US TO ENRICH COFFEE EXPERIENCES

More connected, flexible, conversational, diverse...
Your working environment has become a living place designed around well-being and seamless interactions. The rules have changed. **Nespresso Professional** supports your evolution.

HIGH QUALITY COFFEE ENHANCES YOUR RELATIONSHIPS TO CREATE MEANINGFUL MOMENTS

Whether you facilitate exchanges with your colleagues or promote your company to your guests, coffee plays a central and social role of openness to others, to ideas and to shared values.

32%

improvement in work efficiency through face-to-face interactions.

TASTEFUL MOMENTS SPARK MEANINGFUL INTERACTIONS

Teams are made of diverse personalities. Some like black coffees, some prefer milk recipes.

Nespresso Momento helps you to take into account each of those personalities.
